

Remarks

Allowed claims 2-39 are pending in the Application. Claim 36 has been amended. Entry of the amendment after allowance is respectfully requested. No new matter has been added.

Applicants respectfully submit that the amendment merely embodies the correction of formal matters without changing the scope of the claims. The amendment also improves the readability of the claims. The amendment requires no substantial amount of additional work on the part of the Office. Thus, entry thereof is respectfully requested.

Comments on the Statement of Reasons for Allowance

Applicants acknowledge the Office's admission that the pending claims are patentable over the references of record. Applicants respectfully submit that while the specific features and relationships mentioned in the Statement of reasons for allowance are not disclosed or suggested in the prior art, these are not the only recited features and relationships which are not found in the prior art. Furthermore, the Statement refers to subject matter (or language) which is not recited in all of the claims. It should be understood that the claims are to only be limited by that subject matter which is specifically recited. Any remarks in the Statement which attempt to narrow the recited subject matter should be disregarded.

Respectfully submitted,
